Circumstances of Disappearance

Bryce was at Georgia Southern at a party January 30, 2010. He drove back to Armstrong Atlantic with some friends of his, who also had a dorm room. He did not live on campus, but was just hanging out with friends who did. It is believed he was heading home, in Guyton. The route believed he would take would be Highway 204 to Old River Road. There are other routes as well but family believes this would have been the most logical.

He left in his White 2000 Nissan Frontier Crew Cab Short Bed with either Maine or Georgia plates #944 7QD. He had two identifying stickers on the rear windows. On the passenger side was an ATL Braves "A" and on the driver's side was a Falcons symbol.
